Concept Note

आरोग्यं परमं भाग्यं स्वास्थ्यं सर्वार्थसाधनम् (Good Health is the Greatest Fortune)

At KAASH Foundation, we believe that 'Health' is the key to a living, full-filling, and prosperous society that is best achieved through our ancient, traditional practices such as Naturopathy, Ayurved, Yog, Vāstu Śāstra, Tattva and Siddha among others. These practices, based on the traditional wisdom of the Vaid (वैद्य), derive their cures from our natural resources, ensuring treatment without any adverse effects.

This conference welcomes health practitioners and scholars from various fields to share their insights on topics including, but not limited to:

- Daadi Maa Ke Nuskhe (Grandma's remedies): Its relevance in the 21st century

Our Vision for Health

Since our inception, we have believed that Health is the key to a happy and flourishing society. We have continually strived to challenge preconceived notions about health by emphasizing on the physical as well as the mental, emotional, and spiritual aspects of well-being through a series of webinars, camps, and workshops over the past four years. Ms. Renuka Vyas leads the Health Vertical as its Joint Director.
